

Unparalleled Craftsmanship

Untouchable Performance

Unrivaed Exclusivity

Unmistakable Style

About Classic Recreations

Classic Recreations founder Jason Engel and our team of skilled craftsmen have been modifying and custom fabricating high-performance vehicles for more than a decade. Based in Yukon, Oklahoma, Classic Recreations has been recognized by Robb Report magazine as "Best of the Best", by The DuPont Registry as a "Publisher's Choice", and was awarded the "Best of SEMA 2008" at the annual SEMA Show in Las Vegas. Vehicles built by Classic Recreations have been shipped all over the world and reside in the garages of collectors, performance enthusiasts, athletes, celebrities, royalty and more. Classic Recreations builds more than supercars - we build dream cars.

Hand-stitched interior

Hand-assembled 7.0L Engine

Every car signed by racing legend Carroll Shelby

The 1967 Shelby G.T.500CR is the first officially licensed Shelby CR model ever built, and each hand-crafted vehicle features a 427 cubic inch (7.0L) engine, model specific bodywork, custom mirror-finish paint and hand-stitched upholstery. The pinnacle of 1960's style is fused with modern sports car handling, comfort and reliability. Every G.T.500CR has an official Shelby serial number, badges and is included in the Shelby Worldwide Registry. Each built to order G.T.500CR takes approximately four months (nearly 2,500 man hours) of painstaking assembly and every car makes a statement.
